Sir:

TERMINAL DISCLAIMER

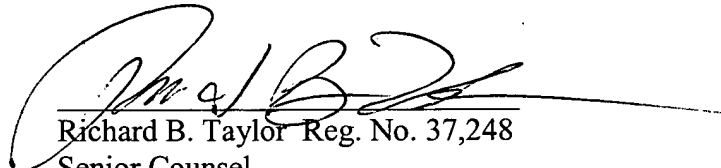

Shell Oil Company, a corporation of the State of Delaware having a place of business in the City of Houston, County of Harris, State of Texas, represents that it is the assignee of the entire right, title, and interest, by assignment of application Serial No. 10/074,834, filed February 13, 2002 for "Novel Chemical Base for Fuel Cell Engine Heat Exchange Coolant/Antifreeze". Shell Oil Company hereby disclaims the terminal part of any patent granted on the above identified application which would extend beyond the expiration date of the full statutory term, as presently shortened by any terminal disclaimer, of co-owned U.S. Patent No. 6,818,146, and hereby agrees that any patent so granted shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,818,146. This agreement is to run with U.S.

Patent No. 6,818,146, and to be binding on the owner of these patents and its successors and assigns.

Shell Oil Company does not disclaim any terminal part of any patent granted on the above patent application Serial No.10/074,834 prior to the expiration date of the full statutory term, as presently shortened by any terminal disclaimer of U.S. Patent No. 6,818,146 in the event that any of these patents later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title as stated above. Please charge any fee required to our Deposit Account No. 19-1800.

Respectfully submitted.
